Data-driven Mock Examination

DataExams Company Limited

HKDSE Mock Examinations 2026-27

English Language Papers 1, 2 and 3

Achieving Excellence in Chinese Language, English Language and Mathematics

Unique Strengths of DataExams' Mock Examinations

1 **Guaranteed Assessment Quality:** Teachers can preview and examine the mock exam papers before they decide to send their students to sit our mock exams.

2 **Efficient Marking and Reporting Service:** Exam scripts will be marked by an expert team within one month*. Schools will receive all marked scripts, marking schemes, school and candidate performance reports with HKDSE predicted levels.

3 **In-depth CQ™ Comparison Reports:** Exclusive exam reports with item analysis to compare the performance of your students with that of other candidates.

4 **Trusted Logistics Service:** Our experienced logistics team will ensure punctual delivery of exam papers and reports (see 2 above).

5 **Flexible On-Site Examination Service:** Schools can select their preferred date(s) (from 1st November 2026 to 15th March 2027) and time for the mock exams.

6 **Comprehensive Analysis Videos:** Students can access our exam analysis videos, which will be released on or before 31st March 2027.

*Candidates sitting our mock exams in March 2027 will receive all marked scripts and performance reports within two weeks.
